Using ordinary table salt, artist Motoi Yamamoto created “Labyrinth” on site at Bellevue Arts Museum over a 1-week period (February 27 to March 4, 2012) for the exhibition “Making Mends” on view March 1 to May 27, 2012 (Figure 1).

For more information of the artworks, please visit the artist website: http://www.motoi.biz/english/e_top/e_top.html.

The artist has permitted *Cardiovascular Diagnosis and Therapy* to use Figure 1 as the cover of the journal in issue Vol. 5, No. 3 (June 2015).
